We hereby certify the articles listed above, supplied by GlobalParts.aero, located in the U.S.A., are in the condition noted, are traceable & certified to U.S. FAA AC-0056, and are in conformance with the defined requirements listed on the PO. Unless otherwise noted, articles identified above have not been subjected to conditions of extreme stress, heat or environment, nor have been previously installed on public aircraft, such as govt use or military applications, not maintained under FAA/CAA approved maintenance programs. Where materials or services have been procured by GlobalParts.aero from our suppliers, we certify that we have complied with all requirements of the above referenced PO and suitable evidence or test reports have been obtained and are on file available for examination upon requirement.
